

Dear Parents,

The students are doing a great job bringing in sponsors to support their upcoming efforts in the Freedom Fun Run!!! Last week, we crowned two kings and two queens, had two silly string parties and two fabulous bubble parties, and we gave out lots and lots of prizes. So far, we have received almost \$11,000 in pledges. We hope to have \$25,000 by run time in order to meet our goal to give \$19,000 to Highlands for advanced technology.

We will continue to collect pledges this coming week and will keep giving out cool prizes. Monday we are going to have a special raffle. All students who bring in new pledges will be entered to win one of 3 angry bird watches. The 3 winners will be announced on Tuesday morning.

To make it easier for parents and sponsors alike, we will have the ability to electronically invoice sponsors after the run that would like to pay by PayPal or credit card. There is a small fee involved. You will have details provided following the Run.

RUN DAY -The Freedom Run will be this Thursday, Nov. 14, weather permitting. All students will participate in this event and will walk or run as they can. Each student's goal is to do 30 laps, or about 2 miles. 36 laps will be the maximum.

Please dress your child according to their grade colors below, which should be the same as their last year's field day shirt. The grades will run/walk according to the following schedule:

Grade	Time	Shirt Color
2nd	8:30 am - 9:30 am	Green
4th	9:30 am -10:30 am	Yellow

We encourage parents and their guests to come out on Thursday to support their children and join in on the fun.. There is no need to check in at the front office, simply proceed to the field. Feel free to bring posters or signs with your child's name or anything else you like to encourage them.

Thank you so much your support and participation.
